Graffiti Identity {Hotel}

The Chester Floor

Conservatism of strict and elegant Chesterfield competes with the modern interior design.

The Carracci Floor

Eclectic chic, inspired by the creators of this movement – the three Carraccis.

...The hotel reveals its character, atmosphere and style through a conceptual patchwork of ideas of four Bulgarian architects and designers...

The Other floor

The sophisticated minimalism of a favorite English check and the classic black and white.

The 4 Elements Floor

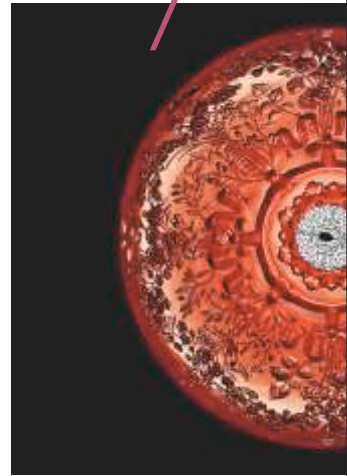

Earth, air, water and...light.
Embraced by nature.

Graffiti Identity {Gallery}

Graffiti Gallery is freedom, provocation, necessity, illusion, dance, harmony, painting, meaning, another point of view. Graffiti is the platform on which the imagination finds its no-borders.

Graffiti Identity {Red Canapé}

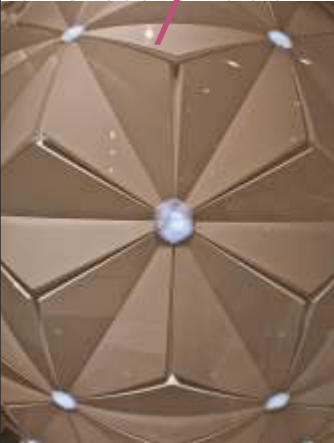

Red Canapé is an urban restaurant, capturing the pulse of the day. It knows how to recreate the time and to create smiles. Convenient - just meters from the office, active - because we care, relaxing - after work, friendly - when you're together, trendy - because we cook with imagination.

Graffiti Identity {Graffiti Café}

Graffiti Café is a concept for leisure, presented as a visual reality. Inside, street styling, artistic emotion and artificial forms are waiting for you, all inspired by natural materials. That is urban! It enters the sidewalk of the Main Street and is ready to make you company.

Graffit Identity { 4 Elements SPA }

Immerse yourself in an oasis of unity and natural perception, which four natural elements merged in - water, air, earth and light. We have 4 Elements SPA to care for your relaxation after a dynamic working day.

Graffit {Business}

With the experience and imagination of our team of professionals and the variety of spaces, we are ready to organize conferences, trainings, presentations, business meetings and events and to offer flexible solutions, fully adjusted to the nature, scale and sphere of your business.

Graffit {Events}

Graffit {Events} is a service with no boundaries and definitions. It is defined by the variety of spaces and utilities, by the customization of desires and emotions, by your and our creativity.

Graffit {Lifestyle}

Maxi bar, interactive television, free LAN and Wi-Fi internet, personal safe, air-conditioning, morning press, preparation of the room for the night, selection of pillows, swimming pool, sauna, cardio fitness and more...
